## البحوث المنشورة أم د مرتضى محمد جواد

	الحالة	If a first Death	السنة	13017	المجلدا	مكان النشر	ت اسم البحث
		المشاركين	7.1.	العدد	<del>\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\\</del>		• 1
	منشور	منفرد	7.10	7 %	<u> </u>	مجلة جامعة الكوفة لعلوم الحياة	ا تاثير ارتفاع هرمون الحليب في بعض المعايير الهرمونية والخصوبة لدى النساء في محافظة النجف الاشرف
	منشور	مشترك	7.17	4	٦	مجلة جامعة الكوفة لعلوم الحياة	تاثير الحامض الدهني غير المشبع الاوميغا-٣ في بعض المعايير الهرمونية في الارانب النيوزلندية البيض المعاملة بعقار السايكلوسبورين
$\leftarrow$	منشور	مشترك	7.17	<del></del> '	17	Journal university of kerbala	Stuy level oxidant and antioxidant in patients with chronic renal failure of province diwaniya
	منشور	مشترك		4	١٣	Al-kindy college medical journal	Role iron in diabetes mellitus type 2 of the patients in province diwaniya
<del></del>	منشور	مشترك	7.17	۲	١٠	Rasayan j. Chem.	Assessment of hepato protective role of phenolic extract of urtica dioica and silver nanoparticles in male rat induced by carbon tetra-chloride
	منشور	مشترك	7.17	٨		Research journal of pharmacy and technology.	Protective effect of phenolic extract of urtica dioica leaves against carbon tetra-chloride induced hepatotoxicity in male rats
	منشور	مشترك	7.17	<u>'</u>	١٨	Plant archives	Assessment study of alpha fetoprotein level after treatment with urtica dioica phenolic extract in male rat induced by carbon tetra-chloride
	منشور	مشترك	7.11	٤	٩	International journal of pharmaceutical quality assurance	Evaluation of auto-antibodies levels in miscarriages women with phospholipid syndrome
	منشور	مشترك	7.17	١١	١.	Journal of global pharma technology	Study the level of iron induces and oxidative stress in patients with chronic renal failure of dewaniya territory
منشور	مشترك	۲۰۱۹	IOP CONF	IF. SER	RIES	Journal of physics	Assessment of visfatin level in patients with coronary heart disease
	منشور	مشترك	7.19	٧	17	Research journal of pharmacy and technology.	Comparison visfatin level between obese and non obese, hypertensive and normotensive patients with ischemic heart disease
منشور	مشترك	۲۰۱۹	IOP CONF	IF. SER	RIES	Journal of physics	Study of the effect of the phenolic extract of urtica dioica the level of des-gamms-prothrombin after treatment with carbon tatrachloride
	منشور	مشتر ك	7.19	٤	11	Journal of global pharma technology	Evaluation and investigation of the prevalence of superficial mycosis among primary schools pupils in al-dewaniyah
l <u>l</u>	مسور	ا السرت		<u> </u>	1'		Governorate, iraq
	منشور	مشترك	۲.۲.	٤	١٤	Indian journal of forensic medicine & toxicology	Role of selective cytokines in the pathophysiology of patients
	مىسور	مسرت			1'_'	Indian journal of forensic medicine & loxicology	With celiac disease
	منشور	مشترك	7.71	٩	٣٢	Turkish journal of physiotherapy and rehabilitation	Relatioship between lactate dehydrogenase c chain and prostste cancer on male fertility
	منشور	مفرد	7.71	١	۲	Medical science journal for advance research	Effect of unsaturated fatty acid omega-3 on some biochemical criteria in white new zealand rabbits administrated with cyclosporine drug
	منشور	مفرد	7.71	۲	۲	Medical science journal for advance research	Relationship between hepatotoxicity that induced by ccl4 and regucalcin protein marker
	منشور	مفرد	7.71	۲	٣	Medical science journal for advance research	Effect of unsaturated fatty acid omega-3 on some histological criteria in white new zealand rabbits administrated with cyclosporine drug
	منشور	مشترك	7.77	۲	٣	Medical science journal for advance research	A review of midkine as biomarker protein for diagnostic several dieases
	منشور	مشترك	7.77	٦	S5	International journal of health science	Study of midkive protein as prognistic marker for thyroid disease in al-najaf city
	قبول	مشترك	7.77	٤	77	HIV Nursing	Study of fetuin-a protein as a predictive marker for thyroid patients in al-najaf city

### البحوث المنشورة أدد حسن علي فرمان

الحالة	المشاركين	سنة النشر	العدد	المجلد	المجلة	ت عنوان البحث
منشور	مشترك	7.10	٣	١٣٠	European Journal of Scientific Research	Effect of Fish oil and Omega-3 in Reducing some SterilityCriteria Induced by Lead Acetate in Female's Albino Rats
منشور	مشترك	7.17	١	٣	AL-Muthanna Journal of Pure Sciences (MJPS)	Difference in the level of some reproductive hormones in AL- Najaf Al-ashraf province for chronic renal failure in male patients
منشور	مشترك	7.17	٤	٧	Research Journal of Pharmaceutical, Biological and Chemical Sciences	.The Study of Some Biochemical Parameters Related to Renal Stone
منشور	مشترك	7.17	٣	٨	Research Journal of Pharmaceutical, Biological and Chemical Sciences	The Relation-ship between Rheumatoid Arthritis Disease and Liver EnzymesFunction, some minerals, Triglyceride and Cholesterol in The Najaf Province
منشور	مشترك	7.19	١	۱۹	.Biochem. Cell. Arch	ESTIMATION OF TOTAL FUCOSE, FERRITIN AND SOME OTHERPARAMETERS AMONG IRON DEFICIENCY ANEMIA PATIENTS
منشور	مشترك	7.19	٤	١.	indian journal of public health research and development	study of biochemical criteria of blood for thalassemia patients
منشور	مشترك	7.19	۲	19	.Biochem. Cell. Arch	EFFECT OF TEX101 PROTEIN, VITAMIN D AND ZINC ON MEN FERTILITY
منشور	مشترك	۲.۲.	٣	٣٢	Turkish Journal of Physiotherapy and Rehabilitation	EVALUATION LEVEL OF APELIN AND GALANIN IN PATIENTS WITH DIABETES MELLITUS TYPE2
منشور	مشترك	7.71	7	70	'.Annals of R.S.C.B	Association of Chronic Helicobacter pylori infection with Iron Deficiency Anemia
منشور	مشترك	7.77	۲	٦	'International Journal of Health Sciences	Evaluation of apelin level in women with polycystic ovary syndrome at Al-Najaf Province
منشور	مشترك	7.77	١	٦	'International Journal of Health Sciences	Evaluation of DHEA level in serum of fertile and infertile women
منشور	مشترك	7.77	١	٦	'International Journal of Health Sciences	Evaluation of Endoglin (sEng)/CD105 level in women with polycystic ovary syndrome at Al-Najaf Province
منشور	مشترك	7.77	١	٦	International Journal of Health Sciences	Evaluation of monocyte chemotactic protein-1 level in serum of fertile and infertile women

# البحوث المنشورة أمد ليلى صالح عبد الحسن

الحالة	المشاركين	السنة	العدد	مجلة	اسم البحث	ت
سكوبس		7.17	٨	international Journal of chemtech research	Prevelance and antibiotic susceptibility patterns of Pantoea spp. Isolated form clinical and environmental sources in Iraq	١
عالمي		7.17	٩	world journal of pharmaceutic reseaech	the efficiency of extracellular polymeric substance extracted from pantoea agglomeans in activtion immune response	۲
